Mailing Address

Under authority of the Utah Coal Mining & Reclamation Act, Section 40-10-1 et seq., Utah Code Annotated, the undersigned authorized representative of the Division of Oil, Gas & Mining has conducted an inspection above mine on above date and has found that a Cessation Order must be issued with respect to each condition, practice or violation listed in the attachment(s). This order constitutes a separate Cessation Order condition, practice or violation listed.

In accordance with Section 40-10-22, Utah Code Annotated, you are ordered to **cease immediately** described in the attachment(s) and to perform the affirmative obligations described in the attachment the designated time for abatement. Reclamation operations not directly the subject of this order shall while this order is in effect. You are responsible for doing all work in a safe and workmanlike manner.

The undersigned representative finds that **this order does** ☒ **does not** ☐ **require cessation of mining** practical effect. For this purpose, "mining" means extracting coal from the earth or a waste pile, and within or from the mine site.

This order shall remain in effect until it expires as provided on reverse side of this form, or is modified, terminated or vacated by written notice of an authorized representative of the Division of Oil, Gas & Mining.
